**SOUTHERN PORTS - ESPERANCE
LOCAL NOTICE TO MARINERS 02/2015**

ESPERANCE PORT INNER HARBOUR - MAXIMUM ARRIVAL DISPLACEMENTS

BERTH 3

Masters are advised that the maximum arrival displacement for vessels arriving at Berth 3 is 100 000 tonnes.

Masters are to ensure their vessels do not exceed this displacement prior to arriving in port.

Should the vessel require ballasting in order to meet air draft requirements, this shall be conducted after the initial draft survey is complete.

Charts Permanently Affected AUS 119
