PASSAGE PLANS

Masters are advised of the requirement under SOLAS Chapter V annex 24 Voyage Planning "The Plan covers the voyage from berth to berth and therefore includes the Pilotage stage." This is also a requirement under AMSA Marine Notice 11/2016.

The pilotage manoeuvre will not commence until the pilot has confirmed:

- The vessel's passage plan waypoints are the same as the pilotage passage plan;
- The waypoints are entered into the vessel's ECDIS or marked on the vessel's charts if the vessel is using paper charts.
