Section 3: Acknowledgement and Approval

Permit Requestor I confirm the company I represent undertaking the work has documented safe systems of work in place and that all permits and licenses required are current. I acknowledge that when diving or during waterside activities that international code flag Alpha (A) will be displayed at all times and if working under the wharf, a rigid version will be displayed above the wharf visible from seaward.

Permit Approver I am satisfied that the risk control measures and precautions appropriate for the safe execution of the diving or waterside activity have been implemented and the persons required to perform the activity have been advised of, and understand the requirements of this Diving and Waterside Activity Permit. The Permit is approved subject to the conditions below.

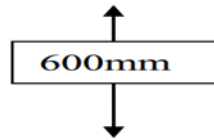

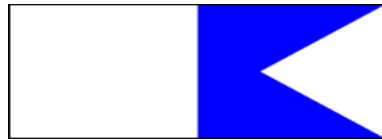

Conditions A copy of this Permit must be kept with the party during the works to be shown to Southern Ports Personnel on demand.

Diving and Waterside Activity Permit Form

Harbour Master & Security / PSO

Approval from the Harbour Master must be sought at least 24 hours before any diving activity within the port area. The Harbour Master or their delegate is to be notified immediately prior to divers entering the water and immediate on the completion of that day's dive, by either VHF CH16 or on the mobile number. Dive Teams, Divers and Contractors must keep a continual watch on VHF CH12 and CH16 and Divers to display an International code flag A at all times.

Port Security must be notified to ensure compliance with the Marine Security Plan.

If the vessel is working under the wharf, a rigid version of the flag must be displayed on the wharf visible from Seaward.

Shipping that may impact the activity:			
Port Security Signature		Date	
Harbour Master Signature		Date	

Other

Notification will be given to stakeholders and affected workers conducting simultaneous operations in the vicinity.

Pilots Shift Superintendent Tug Company Other (specify)
