

## Notice: Closure of Port of Albany Due to Seabed Leveling Works

*This notice is for the information of ship masters and others operating vessels in port waters.*

|                                 |                 |
|---------------------------------|-----------------|
| Port location                   | Port of Albany  |
| Notice number                   | 02/2026         |
| Date of publishing              | 28/07/2026      |
| Date of effect                  | 30/07/2026      |
| Date of expiry                  | TBS             |
| Notice issued by                | Francis Galarce |
| Related attachments             | Nil             |
| Related charts and publications | Nil             |
| Description                     |                 |

Please be advised of the following closures at the Port of Albany to facilitate pre-survey, seabed levelling and post-survey works:

| Berths           | Closure                    |
|------------------|----------------------------|
| Berth 3          | 30 July to 5 August 2026   |
| Berth 1, 2 and 6 | 5 August to 11 August 2026 |

Please note that these dates may change depending on:

- availability of berths
- progress and efficiency of the seabed levelling works
- weather conditions during the operation
- results of the post-levelling survey

We will keep all stakeholders informed of any updates and progress throughout the works.
